Funding beyond the fundamentals: A Community Commitment

Please be a Business Donor. Strong schools help make strong communities. Help make ours Viking Strong!

Supporting the best quality public education is more important than ever. Your contribution will have an immediate impact on teaching and learning and will help us provide the powerful enrichment experiences that are transforming the lives of Haslett Public Schools students every year. Since its inception in 1989, The Foundation for Haslett Schools has raised funds to support unique educational needs, and new ideas, and innovative programs that are beyond the normal Haslett School District budget.

Some of the programs funded by the Foundation include:

- Mini-grants for Teachers' new ideas and educational concepts including classroom Smartboards
- Scholarships for graduating Seniors
- Authors / Artists-in-residence programs
- Specially-targeted educational materials for "at-risk" kindergarten students
- Information technology such as Chromebooks for economically disadvantaged students
- New equipment for Haslett High's award-winning cable access channel, The Vision
- STEAM – Science, Technology, Engineering, the Arts and Mathematics – programs
- Science Olympiad
- Haslett High School Performing Arts Center
- Phonics programs
