A NOTE FROM OUR CHAIR

J.C. STEHLIK

Dear Friends of Haslett Public Schools,

Strong schools help promote educational excellence for all children, which in turn leads to lifelong learners and leaders. Strong schools are essential to the quality of life in our community. Sure, curriculum, technology, and infrastructure matter. But at the end of the day, it is *people* who make change happen. And those people are our teachers and administrators who work tirelessly to bring innovative ideas to life. The Foundation for Haslett Schools awards teacher grants for projects that enhance learning by engaging children in new ways. We also provide grants to the district that promote growth and achievement.

But we cannot do this without your help! Donating to the Foundation is an opportunity to directly impact the programs that will enrich the education of every child in the district. A gift of any size will make a difference. Please join our Viking Strong! Community by sending in the donor form on the back of this mailing. Or, visit www.haslett.k12.mi.us/foundation, to give online today. Help us fund beyond the fundamentals and make our schools Viking Strong!

YOU CAN MAKE ALL THE DIFFERENCE TO KIDS AND TEACHERS IN HASLETT

Make your tax-deductible donation to the Foundation for Haslett Schools:

- Online using PayPal or a credit card: www.haslett.k12.mi.us/foundation.
- United Way - If you give to the United Way through your employer, you can direct your donation to the Foundation for Haslett Schools by writing it in.

Join 100 Women for Haslett to make a profound impact

100 Women for Haslett kicked off its 2019 annual appeal at Red Cedar Spirits in East Lansing by recognizing Makayla Novello as the 2018-2019 recipient of the 100 Women \$500 scholarship. Makayla selected Haslett High School teacher Kevin Tobe to receive a \$100 grant as the faculty member who most inspired her academic career. Last year's 100 Women campaign was the most successful ever, raising \$9,550. After reserves, \$4,000 in grants were awarded to fund Be Nice initiatives in the High School and Middle School, along with \$2,500 in block grants for each school in the district to use to promote a culture of caring. You can help us reach our 2019-2020 goal by donating to 100 Women for Haslett. To learn more or to donate online, visit us at www.haslett.k12.mi.us/foundation

Featured Partnership: 100 Women for Haslett

The goal of 100 Women for Haslett is to create a community of women who want to make a collective commitment to Haslett Public Schools. The math is simple: 100 women give \$100 each to create \$10,000 for the Foundation. A portion of the 100 Women fund goes toward a scholarship for a graduating female student. We encourage you to join us at our autumn event, but you can join 100 Women any time! Thank you to our 2019 donors, listed below.

Featured Partnership: Haslett Kiwanis Club

Kiwanis and Foundation team up on Chromebook donations for Haslett Middle School

The Foundation and the Haslett Kiwanis Club proudly partnered to donate fifty Chromebooks to deserving students at the Haslett High School and the Haslett Middle School. For secondary students, using technology to complete school work is essential, but not all students have access to devices.

The Foundation's matching grant of \$5,000 helped bridge the equity gap in student access to technology outside the school setting. The Foundation thanks Margy Barile, an Instructional Technology Specialist for the Haslett School District and Haslett Kiwanis member, for helping forge this special partnership.
